

Elegant island range hood resembles a pendant light fixture to make your dining area unique.

Bright halogen bulbs light the cooktop and surrounding area for clear visibility.

Four-speed pushbutton control includes 10-minute delay-off and filter clean reminder.

Heat Sentry™ detects excessive heat and adjusts blower to high automatically.

Model Numbers:

IM42I50B

IM42I50W

Telescopic rod accommodates ceiling heights 8' to 9'.

Optional ACR2 remote control lets the busy cook stay in control from anywhere in the kitchen.
