

Heat Sentry™ detects excessive heat and adjusts speed to high automatically.

Works with optional Universal Make-Up Air Dampers. Available only in the U.S.

Separate On/Off speed control gives you the convenience of automatically remembering favorite setting.

Performance is a beautiful thing.

It can be subtle or bold. It can take months or years to hone.
Then impress you in an instant.

A great performance gives the audience exactly what they want and more than they ever imagined. And it inspires everyone and everything around it to be better.

At **BEST**, we make high performance range hoods that perform beautifully. Astonishingly quiet. Impressively effective. Remarkably efficient. And perfectly suited for the most distinguished kitchens.

Whether it's the centerpiece of the room or letting its surroundings shine, **BEST** is where high-end performance inspires.
