For more details or HVI rated performance for this model see the product specifications sheet found at www.BESTRangeHoods.com

Standard and Extended Depth Flue Covers

Corrosion resistant flue covers in professional grade stainless steel attach to the top of the range hood shell. Available in 6", 18", 30" and 30"-54" telescopic heights. Deeper flues are available for hoods using the 3" wall extension.

Fixed 6" = 8' ceiling
Fixed 18" = 9' ceiling
Fixed 30" = 10' ceiling
Telescopic 30"-54" = 10'-12' ceiling

Performance is a beautiful thing.

It can be subtle or bold. It can take months or years to hone.
Then impress you in an instant.

A great performance gives the audience exactly what they want and more than they ever imagined. And it inspires everyone and everything around it to be better.

At **BEST**, we make high performance range hoods that perform beautifully. Astonishingly quiet. Impressively effective. Remarkably efficient. And perfectly suited for the most distinguished kitchens.

Whether it's the centerpiece of the room or letting its surroundings shine, **BEST** is where high-end performance inspires.
