

There's a timeless simplicity to some things, where going home means things never change. Perhaps it's why this design will inspire so many memories.

K210A

Professional-style range hood for under-cabinet installation is available in stainless, or two durable powder coated finishes

Powerful yet quiet internal and external blowers with HVI certified performance (see p. 52) – ducted application only

Easily accessible, stainless steel/aluminum mesh filters are dishwasher safe

Brilliant halogen lamps illuminate the work surface

Hidden, variable-speed slide controls offer simple and convenient blower adjustment

Heat Sentry™ is a smart feature that detects excessive heat and adjusts speed to high automatically

Designed to accommodate two 50-watt halogen lamps in 30" and 36" models; three in the 42" and 48" models (bulbs purchased separately).

Optional baffle filters complete the professional look.

| Model | Width | Blower | CFM | Finish |
|-------|------------------|-----------------------------------|-------------------------------------|---------------------------------------|
| K210A | 30"* 42", 48" | INT. ♦ EXT. ♦ (see page 52) | 500, 900 4 In-line 4 Exterior | 430 Brushed Stainless Black, White |
